

From Paper to Praise Tag Layout Day Ten

Work and Purpose

“Whatever you do, work at it with all your heart.” Colossians 3:23

Cut out tag from patterned paper (2-sided) cardstock.

1. Print photo and crop to full size of tag (4" x 8")
2. For embellishment “fly out,” create small tag (approx. 3.5" x 3"). Score at ¼" and fold around photo. Adhere to back of tag.
3. Use black adhesive letters for title and paint with bronze acrylic paint. Apply title to embellishment; stamp the day number below it.
4. Create back of tag with stamped journaling lines and embellishment (small cardstock piece ½" x 1" and ink edges) plus saying sticker matted on cardstock.
