

From Paper to Praise Tag Layout Day Seven

Worship

"Let everything that has breath praise the Lord!" Psalm 150:6

Cut out tag from patterned paper.

1. Print photo and crop to 2" x 8". Matt on cardstock.
2. Title is running vertically down the tag (think of placement! Remember the tags will be all facing one direction when bound in the final book. This gets tricky with anything running vertically—word to the wise!)
3. Use washi tape as embellishment—and the Day/Tag Number!
4. Create back of tag with stamped number add journaling lines.
